

St. Josaphat Parish School Dress Code Policy

Uniforms and Dress

The St. Josaphat dress code is established to teach hygiene, instill discipline, and prevent disruption, avoid safety hazards, and teach respect for authority. Uniforms are required for 4K-8th grade students. Official uniform items from Goldfish Uniforms must always be worn. Students coming to school out of uniform or wearing non-Goldfish uniform items will be sent to the office. Parents will be contacted and will need to bring the correct or missing item(s) to school. A student will not be permitted re-entry into the classroom until he/she is in proper uniform.
